

GlaxoSmithKline

2010

ASTHMA AND ALLERGIC RHINITIS RESEARCH GRANTS

*The GlaxoSmithKline Research Fund
has been made available to
The Allergy Society of South Africa
by GlaxoSmithKline
for the purpose of promoting research in the
field of asthma and allergic rhinitis.*

Each Research Grant will be a maximum of R50 000

The GlaxoSmithKline Research Grant is tenable at any recognised local University or research institution approved by the Selection Committee.

Medical Graduates of Southern African medical schools or graduates who have been domiciled in South Africa for a minimum of three years, who are registered with the Health Professions Council and are members of the Allergy Society of South Africa will be eligible to apply for the GlaxoSmithKline Research Grants.

Applications will be considered for research projects relating to asthma and allergic rhinitis, whether basic or applied; however conventional drug trials will not be acceptable.

Closing date for application

31 May 2010

Application details can be obtained from the ALLSA office

Please visit the ALLSA website at www.allergysa.org to submit your electronic application

Please note that only electronic submissions from fully paid-up ALLSA members will be processed
